I would like to thank the teachers Miss Margaret, Miss Lupe, Miss Roseann, Miss Rachel, Miss Angie, and Miss Nancy for helping to make our end of the year graduation a big success. We were so happy to be able to return to the Church for our children's performance. It was great to see everyone having a good time, and the ice cream truck was a great success! Also, a great big thank you to Jenna George, Chandler's and Camdyn's mom, for the beautiful balloon arch again this year for our picture area.

Now that summer is here, we have a lot of fun activities planned. While some of our children have taken the summer off, we have planned a summer of fun activities for the children here at school. We have "themed" weeks, and July will include Transportation Week, Eric Carle Week, Imagination week, and Farm Animal Week. We have water play days planned and movie days too. A great big thank you to the Nesheiwat family (Layla and Nicholas) for their generous donation of the new water slide for our water play days. Our first day of using it was a big success! Special lunches are also in the schedule. Please double check the calendar and be sure to sign up in advance for the special lunches, so we have an accurate count.

AB 2370 requires all Child Care Centers that were constructed before January 1, 2020, must test their water for lead before January 1, 2023. We had our water tested in June, but will not have the results for 2-3 months. We were lucky to receive a grant from the State to cover the costs of the testing.

We were also very lucky to receive a grant from Options for Learning (our Resource and Referral Agency), and Lakeshore (teaching supplies) to purchase learning materials and supplies for the preschool. The teachers are enjoying shopping in the Lakeshore catalog. We are very grateful for our blessings.

Happy Birthday in July

The school will be closed

Monday, July 4

Happy Birthday America!

Water Play Days

Every Wednesday morning we will be playing in the water and getting wet. Please send a swimsuit, towel, swim shoes and sunscreen for your child. Please bring swim shoes for your child, not sandals. There are bees sometimes on the grass, plus it is easy to slip in the water.

Please label all items!

Reminder: Please use the SmartCare app to sign your child in/out, or manually use the paper attendance sheet. Failure to use either will result in a \$50.00 fine.
